## Plymouth councillors visit the Barne Barton regeneration project as construction work nears

**In March Plymouth councillors joined some of our Regeneration Steering Group members and Clarion Housing staff to mark the imminent start of construction work to build more than 200 new affordable homes for Barne Barton.**

Cllr Pat Patel, Cllr George Wheeler, Cllr Sally Hayden and Cllr Rebecca Smith visited the scheme as part of a special stakeholder event marking the £22m project's latest milestone and building work beginning this spring.

*"We have a long history in Plymouth, providing homes and shelter to those who need it most. Our redevelopment of Barne Barton begins another chapter in that history, and we are incredibly proud to be working with the council, development partners and the local community to finally turn our shared vision into a reality."*

Clare Miller, chief executive of Clarion HG

*"I was delighted to hear that Clarion is celebrating planning permission for continued works in the Barne Barton area. I have worked closely with all housing providers in the area and am excited to see the transformation in this close-knit community. Quality of housing has been a problem in this area for some time and I fully support all that Clarion is doing to improve the offering for my constituents."*

Johnny Mercer, MP for Plymouth Moor View

We also held an evening event at Tamar View Community Centre, which gave everyone the chance to view the latest plans, meet Lovell Homes and other partners as well as see how the new E-Brik platform will work. Thank you to all those of you who came along!

March 2023

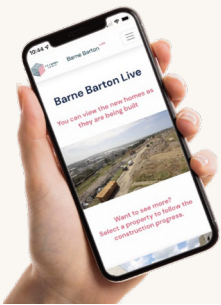

## Young creatives

Congratulations to the young artists from Riverside Community Primary School who entered our recent drawing competition to celebrate Barne Barton's community. The standard was incredibly high with so many brilliant entries from ages 5-11.

Well done to our talented winners below, each one received a £15 voucher from Lovells.

A round of applause goes to Jen Foster (pictured above) winner of the free prize draw at our recent community event. Here she is being presented with a hamper of goodies by Stephanie Bennett from Lovell Homes. We hope you enjoy it.

## Follow the progress of new homes on **Barne Barton Live**

Barne Barton Live is an online platform that allows you to view the new homes as they are built from your computer or mobile device. To find out more visit [BarneBartonLive.com](https://www.BarneBartonLive.com)
